Analysis of Changes/Amendment

Following ILCW's approval of the 2024-2025 State Plan for Independent Living, the Council was provided with an increase to its Innovation and Expansion funding. Due to this increase in funding, an amendment to the 2025-2027 SPIL is necessary.

- Funding Tables updated to include Innovation and Expansion Funding Increase for Federal Fiscal Year 2025.
- Funding Tables updated to include direction of some Part B Funding to the Wisconsin Coalition of Independent Living Centers (WCILC).
- Narratives updated to reflect the increase in Innovation and Expansion funding and additional Part B funding directed to WCILC.

Fiscal Estimate – Economic Impact

There is no fiscal estimate or economic impact of the proposed changes in the SPIL amendment.
